 251 E. Front St., Covina

**Lindy's Terraplane Ballroom** Central to the nights activities, the 23 piece big band sounds will keep the place jumping all night long. Private tables are available.

**Bugsy's Speakeasy** Hidden behind its own private entrance and doorman, this hideaway hosts a full Casino, Martini bar with Ice Sculpture, and a few small time gangsters.

**Capone's Little Italy** With great food as its mantra, this area also hosts the ever famous "Shrimp Boat," Italian wine and cheese bar and the infamous St. Valentine's Day wall...

**Babe's Cigar Bar** Go track side and join "The Babe" for a little sports talk, a great cigar, a fine Port or Brandy, and maybe a bluesman or two "jukin the joint"

**The Kit Kat Club** A small intimate theater where magicians work their magic, young singers "light the torch," and an occasional dance man taps his way into your heart. It's a great place to escape the crowd, rest your feet and forget the world outside.
