Special "XXX" Edition!

The New Fresh Squeeze is getting old. This issue is number XXX (in Roman Morales notation) and to commemorate the occasion, the editor is working on it in the nude.

Asked how he could possibly produce such a volume of volumes in the past year with minimal donations of content from the general membership, the editor replied, "It was hard, but I think I pulled it off". Currently, a frenzied search is underway to find a replacement editor for the new administration coming in.

President to be Removed!

An unidentified woman has testified that she was sorry to see the President being ejaculated from office next month. Citing his "performance" as being the best she can recall in recent history, she regretted not being able to attend The Big Kickout scheduled for June 26th at Bill Hammet's house. Festivities will start at 5:00pm. Be sure to mark your calendar and help give John the kckout he really deserves.

The President's Massage

Well the countdown begins. I can't believe that the end is in sight. You won't have to hear any more of my good jokes (too bad) or even the few bad ones. Looking back I've had a fun time being your Rotary president and sometimes wish I had more time to accomplish some of my goals, notice I said sometimes. We had a spike in membership but unfortunately I will finish on a down note by one or two. But as they say in business it's not the top number that counts it's the bottom number that you get to keep and will get to keep some great new members like, David Little, Stan Reichert, Peggy Delach, Robert Potter (they made me put him in) and Dan Koenn. Just teasing Robert, you know I love you.

Congratulations to Judy Starns who will be our next Rotary president, taking over July 1st. The board of directors voted to move Judy up one year to take over the vacancy when Ed Cooper resigned as Pres-Elect. The great news is that Ed will still be around to lend his singing talents to the Four Skins, not that the other Skins don't have talent. Judy is going to do a great job, please support her in everything she wants to accomplish, she will be getting a crash course in Rotary over the next few weeks and will be ready to take over on July 1st. Congratulations also go out to Owen King who was appointed to take Judy's spot as Pres-Elect-Elect, he too will be an outstanding president. Judy will fill you in on all the fun you will miss on not having to Chair the Auction Committee, too bad. The club will be in good hands for the next couple of years.

(continued on page 4)

Doctors Reconnect FourSkins!

Several weeks ago, the FourSkins were dissected when Ed Cooper went into the hospital. Now, due to the incredible efforts of his doctors, Ed has been grafted back with the group... the FourSkins has been rebuilt. As Henry Morgan put it, "Without Ed, we were just three dorks hanging out".

Man prefers Oral Treatment!

Dr. Steve Skurow has been questioned recently regarding his apparent pattern of treating his patients with what he calls "good oral work". As a young man he developed an early fascination with the cavity and it is believed he may have stated "once you get past the lips, you're in the money zone". He is lately renowned for his work with the Black Hairy Tongue (*lingua villosa nigra*).

President's Massage Continued...

Back to membership: unfortunately, I need to announce the resignations of three members: John Roach is moving on to direct the Carlsbad School District, and both Carol Cugno and Azucena Hjertstedt have resigned due to work constraints. Please call and wish them all your best.

If you haven't done it already, please send in your District Conference registration today. If you can only make it one day, please plan on coming out on Saturday. We will be having the hospitality tent going on with the Noon Club plus our club will be going out to dinner on Saturday night. It should be a fun filled night.

Only four more but I'm not counting.
