## **Mutiny Seizes Foreskins!**

Covina Sunrise Rotary prides itself on the adherence to policies set forth by International and on its clockwork like synchronization of events that drive each meeting to its inevitable close on a precise schedule. Last week, apparently due to the legendary tight schedule slipping by a few minutes, Roman Morales seized control of the podium and commandeered the Foreskins to perform without official presidential request. The skins, always eager to perform and to obey without question, brought the house down with a rousing rendition of the perennial Yankee Doodle Dandy. After the membership settled down from the frenzy, the President was able to regain control of the meeting.

# The President's Gossip Page

Good Morning Fellow Rotarians! Hope you all had a good week! We are coming to the end of summer, and I trust that everyone has had some memorable vacations! I know that some of you have visited other countries, as well as wonderful trips right here in the good old USA. I now hope to see as many of you as possible at our meetings. Attending weekly club meetings allows member to enjoy their club's fellowship and enrich their professional and personal knowledge. I would also like to remind everyone to keep our club strong, every Rotarian must share the responsibility of bringing new people to our meetings in the hope we can gain new members. I found this an interesting Tid-Bit about "The organization of Rotary". "Rotary is essentially a grassroots organization, with most of its service efforts being carried out at the club level. The district and international structure is designed to support the clubs and help them provide more service in their communities and abroad". I think that sums it up pretty well, don't you? More information about how Rotary is structured: **Districts;** Clubs are grouped into 529 RI districts, each lead by a District Governor. Our District Governor, Roy M. York will be visiting out meeting on Oct. 19th, and I would like to invite any spouse or friend to attend that meeting.

**RI Board;** The 19 member RI Board of Directors meets quarterly to establish policies.

RI also has seven international offices in Argentina, Australia, Brazil, India, Japan, Korea, & Switzerland. I thought this was interesting!

— Judy

## Today's Program:

Today's speaker will be **Bob Laidlaw**. Yes, *the man* himself will be speaking to us on his experiences of 58 years of running Laidlaw's Harley Davidson in the San Gabriel Valley.

## Joke of the Week

A little boy wakes up three nights in a row when he hears a thumping sound coming from his parents' bedroom. Finally, one morning he goes to his mom and says, "Mommy, every night I hear you and daddy making noise and when I look in you're bouncing up and down on him."

His mom is taken by surprise and says, "Oh... well I'm bouncing on his stomach because he's fat and that makes him thin again."

The boy says, "That won't work."

His mom says, "Why?"

The boy replies, "Because the lady next door comes by after you leave each day and blows him back up!"

## Remember those Tubes?

A few weeks ago, several Rotarians got a mailing tube delivered to them. The tubes contained a poster and what appeared to be junk mail. It actually contained an invitation to an extravagant night out as guests of Dave & Buster in Arcadia. Here, Young Galen, Terry W, and their respective babes revel in the goodie bag delivered after a spectacular night of drink, fine food, and games.
