

# FRESH SQUEEZE

Volume I, Issue VI

August 5, 2003

Welcome to the  
New Fresh  
Squeeze!!!

*“What if there  
was no news on  
any given week?”*

Newsletters are  
now available  
on the CSR  
Website!!!

## In this Issue:

- Big Shots in Town 1
- Martian Chronicles 1
- Dates To Watch 1
- Pres’s Massage 2
- Big Sale 3
- Today’s Speaker 3
- Symposium News 3
- Un-censored Photo 3

## Big Shoot Coming Up!

The fifth annual Rotary Invitational Sporting Clays Shoot is coming up on August 24th starting at 8:00am. Sharpen your shooting skills for the Dove Opener and help support Operation Santa Clothes at the same time. The event is sponsored by the Covina Sunrise, Covina, and Glendora clubs and earned about \$2500 for OSC last year. Have some great food from Mimmo’s Catering and see if you can beat “Boline The

Blaster” this year. Last year Don walked off with the Rotary Trophy AND the Overall Shooter Trophy.

## Watch Mars Grow This Month

A celestial event is happening this month that last happened 60,000 years ago! Because of planetary hijinx, Mars will be so close to Earth by August 27th that it will appear six times larger and 85 times brighter than normal. Keep an eye to the sky each evening and watch for the amazing show.

## Upcoming Events and Dates

- August Programs: **Hirsch** Setup: **Boline** Raffle: **Morales(R)**
- August 9th — “The Producers” field trip
- Wednesday, August 13th — Board Meeting 7:15am @Coco’s
- Saturday, August 16th— Symposium Fellowship Dinner
- October 19th — Xmas in October at Kellogg Mansion
- Nov ??? — Start shopping at K Mart for Oper. Santa Clothes
- Dec 13 — CSR Christmas Party

# The President's Message

One month down!  
I hope everyone is enjoying their summer and are finding time to get away. And speaking of getting away, you might find yourself missing our Tuesday morning meetings.

Not to worry, that make up is easier than you think. All sponsored club events count towards a missed meeting. We have the Symposium Dinner and the Sport Clay Shoot coming up this month. I've been working on Beer Club counting, but not even the president can do everything. If you can't get to a club event, you can always ask the fine Finemaster how many Rotary clubs meet wherever you are going. Somehow he always knows the answers. The proceeding was a cheap shameless plug for my club goals: 90% attendance

through better participation at club events.

The District 5300 newsletter is out. It is only published on the internet. So during those late night internet surfing sessions, download the newsletter at [www.district5300.org](http://www.district5300.org). I am looking for a volunteer who can go online and printing five copies of the district newsletter once every month to put on each table. Please don't everyone rush all at once. Now go 'Lend A Land'.

— John

# Today's Program:

Lee Schwartz — “An engineering solution”  
Speaking on how engineering could address the kind of automobile accident that occurred in Santa Monica last month, Lee has an impressive list of credits to his name: BA in mechanical engineering from Washington University in St. Louis, a Master of Science in Industrial Engineering at University of Iowa, ten years experience in manufacturing engineering, 18 years in aerospace engineering management, 27 years as an instructor of electronics at a community college and two years as an ordinance lieutenant in the Navy.

## Coming Up:

8/12 Donna Smith—Hello Young Man

8/19 James Yoskioki— Director, Citrus Valley Health Partners

8/26 Randy Scholerman—Water Engineering and You

## Rotary Yard Sale Planned

Save all of your old tools, clothes, furniture, and whatever it is that you were thinking of getting rid of. We're planning a Rotary Yard Sale where we can benefit the club, provide goods to people that can use them, and give you a tax writeoff for the items as well. The date has not been set yet but it will probably be in the next month or so. See Westerdag if you have any questions.

## Symposium Still Open

There are still a couple of openings available for the Saturday, August 16th Symposium Fellowship Dinner coming up at the Wysocki's. If you'd like to attend, or if you'd like to volunteer to host a future dinner, contact Terry.
