## Sitting Bull Gets a Ride!

Bill (Bull) Hubbert has decided to chop away at the "new tax bracket" he mentioned in the kickout video. His new toy is

nothing less than a Lexus and it is loaded with all the high tech goodies he could find.

When asked what it has to let others know he's arrived, Bull said "It has a Little Big Horn."

## Still Watching Mars Grow

Ok, so Mars isn't exactly a speed demon but it has been NOTICEABLY brighter lately. As you recall from last week, this paper advised you that Mars will be so close to Earth by August 27th that it will appear six times larger and 85 times brighter than normal. Anyone for a "Mars Perihelion Party"?

# The President's Massage

The rest between periods is about over. We are starting to gear up for our next big event, Christmas in October, Sunday October 19th.

Madam X (err, Shirley), this years event chairperson is starting to form her team. So when Shirley comes knocking or calling for that matter, please help her any way you can, she deserves it after the great job she did as president last year. (Side bar, after that good you know what kissing, I'm guaranteed not to get a

job, good luck for the rest of you).

See Jon or Pam if you have

ideas for items to donate. Same location as last year, Kellogg House, so we look to improve on what we were able to do last year. Start spreading the word and the excitement.

Have a great week! Go out and "Lend a Hand".

# New Badges Make Debut

Madame "X" received her Gold badge of Past Presidency last week. Along with her, Manny Perez and Annie Gee co

-received their blue badges ending a long dry spell in blue badge disbursements. What more can you say except that it's not polite to point?

## Rotary Yard Sale Planned

Save all of your old tools, clothes, furniture, and whatever it is that you were thinking of getting rid of. We're planning a Rotary Yard Sale where we can benefit the club, provide goods to people that can use them, and give you a tax writeoff for the items as well. The date has not been set yet but it will probably be in the next month or so. See Westerdar if you have any questions.

## Symposium Still Open

There are still a couple of openings available for the Saturday, August 16th Symposium Fellowship Dinner coming up at the Wysocki's. If you'd like to attend, or if you'd like to volunteer to host a future dinner, contact Terry.
