Special Deals for Rotarians!

RI is pleased to announce that agreements have been reached with three corporations that will donate funds to Rotary and The Rotary Foundation as part of a corporate sponsorship program. These companies have developed specific incentive programs for Rotarians that will be mutually beneficial:

Avery Dennison is offering a coupon redeemable for Avery Clean Edge Business Cards. For every coupon redeemed, the polio eradication fund-raising campaign will receive a US\$5 donation. Avery will also contribute \$2,500 to the club that has the most coupons redeemed, in support of the club's own service projects.

Costco is offering a rebate to RI for each Rotarian who joins its membership program.

Sprint is offering U.S. Rotarians local and long distance service for businesses at a discounted rate. RI will receive a percentage of the monthly billing generated by Rotarians who sign up for the service. By participating in our corporate partnership programs, you can support Rotary International's efforts to strengthen membership, enhance Rotary's public image, improve communications, and further assist club and district leaders in carrying out their challenging tasks.

The President's Message

As you all should know, I had some club goals that I wanted to achieve during my term (or as some of you refer to it, as my sentence). The four big ones were better attendance at the meetings and functions, 75% member participation in Tex

Everson, donate 40 wheelchairs and 50% participation in the Paul Harris Foundation. So far we are doing a good job of meeting those goals. We have collected enough money for 32 wheelchairs, member participation in Tex Everson is 70%, attendance is getting better but still needs a little effort and Paul Harris needs a lot of effort. The Paul Harris Foundation is Rotary International's main charitable foundation. Most of the things that Rotary International is able to do is accomplished through the giv-

ing's to The Paul Harris Foundation. I'm asking one "last" time for members to step up and help the Foundation. Your Board of Directors is making some money available to match any first time donations to the Paul Harris Foundation. Now is a great time to start your pledge to becoming a Paul Harris Fellow. If you have any questions about Paul Harris please Don Crouse. Thank you, have a great week and find somewhere to "Lend a Hand".

— John

Today's Program:

This week's program features a few Covina Police and Fire personnel who will demo the new AED (Automated External Defibrillator) which will allow non-emergency personnel to possibly save someone's life.

Manny's Joke of the Week

A fire-and-brimstone minister was seated next to a cowboy on a flight to Oklahoma. After the plane was airborne, drink orders were taken. The cowboy asked for a whiskey and soda, which was brought and placed before him. The flight attendant then asked the minister if he would like a drink. He replied in disgust, "I'd rather be savagely raped by brazen whores than let liquor touch my lips." The cowboy then handed his drink back to the

attendant and said, "I didn't know we had a choice."

While not telling jokes, Manny hones his psychic skills by reading playing cards from the wrong side.

Yard Sale Update

The Rotary Yard Sale will NOT be held at the carpet store across the street from Covina Bowl. In addition, it will NOT be in October. Due to other events causing stress, it has been moved to Saturday, November First. Hang on to those "treasures" for a little while longer...
